Virtual Learning Environment(VLE) of SEUSL.

Introduction:

VLE(powered by Moodle) is the online platform to carry out teaching and learning activities. Lectures and students interact with each other via this virtual environment to deliver lectures & all kinds of course contents (PowerPoint, PDF, Word, Hyperlinks, Video, Audio, etc.) and testing activities (Assignment, Quizzes, etc.) activities.

VLE User Accounts:

User Accounts with username & password) for all Students have already been created. Without a user account no one can access VLE contents (unless Guest access is enabled). Your username is your registration number with **dots**[.] instead of **slashes**[/] and Initial password is Seu@your_NIC.

Eg: Username: seu.is.19.mit.001

Password: Seu@912345678V **S,V-Capital or Seu@200123456789

Usernames cannot be changed by students, but password can be changed by any user.

Login:

Go to <u>https://vle.seu.ac.lk</u> (You can also use Moodle mobile App to access VLE) Type your username & password correctly. Then click on Log in button

Logout:

After finishing all you activities in VLE and if you are not using your personal computer (when your using university computer lab) to access VLE, you must always **Logout** before leave the computer.

Forgotten password:

In case if you forgotten your password and you have a valid email set up in your profile, you can reset password. An email which will contain a link to reset the password will be sent.

Click on the Forgotten your username or password?

Access to the platform	Search by username
Username	
Username	Username
Password	Search
Password	Search by email address
Log in	
	2 Email address hasmie@seu.ac.lk
Forgotten your username or password?	
Log in as a guest	

In the following screen, type your username or email then click on **search** button. If your email already registered with VLE, you will receive an email containing instructions and a link to reset password

Edit Profile

After login to the VLE, you would be able to modify your profile. Make sure your profile is correct with a **valid email.** To edit you profile, Click on the arrow near your name in the top right corner and then click on **profile.** Then click on **Edit profile** and type correct information.
